

mouse_unsubscribe_int

```
graph LR; A[proj_main_loop] --> B[mouse_unsubscribe_int];
```

A diagram showing a call from `proj_main_loop` to `mouse_unsubscribe_int`. The `proj_main_loop` box is on the right, and the `mouse_unsubscribe_int` box is on the left. A blue arrow points from the right side of the `proj_main_loop` box to the left side of the `mouse_unsubscribe_int` box. The `mouse_unsubscribe_int` box has a light gray fill, while the `proj_main_loop` box is white.
